OnCue® Plus Generator Management
Peace of Mind. In the Palm of Your Hand.

KOHLER Generators

OnCue® Plus Generator Management System and App

Whether you're at home, traveling or on the go, you'll never have to worry about the power in your home or business. Paired with a standby KOHLER® generator, the OnCue Plus app gives you peace of mind in the palm of your hand.

View real-time power status

Manage your entire system – generator, automatic transfer switch, Load Control Module (LCM)* and Programmable Interface Module (PIM)* – from your mobile device or computer, either Mac® or PC. And it costs just $19.95 a year with no monthly cellular contract.

Activate items automatically

Automatically turn items such as appliances, outdoor lighting and storm shutters on and off from anywhere in the world.**

Know the minute something changes

Receive instant generator updates via text or email.

Stay up to date on generator activity

Observe, clear/reset and review time-stamped fault-code history.

Schedule service instantly

Find your KOHLER dealer contact information to call or email when service is needed.

OnCue Plus availability
